Q.

What does it benefit us to know that God has created all things and still upholds them by his providence?

A.

We can be patient in adversity,
thankful in prosperity,
and with a view to the future
we can have a firm confidence
in our faithful God and Father
that no creature shall separate us from his love;
for all creatures are so completely in his hand that without his will
they cannot so much as move.

Missio Kids Summer Needs: We have a great opportunity for temporary service in our kids' ministry the next two months. We have many volunteers who have limited availability due to upcoming vacations – plus a month with 5 Sundays, which stretches our volunteer list pretty thin anyway. That means we need a couple of people who would be willing to serve in July and/or August. It wouldn't be a long-term commitment –though, if you are charmed by our awesome kiddos, we certainly wouldn't turn down long-term volunteers :) – just one or two Sundays over the next 9 weeks. Please talk with Sammi if you're willing to serve in this way!

Silent Prayer

O God, the strength of all them that put their trust in You, mercifully accept our prayers; and because through the weakness of our mortal nature we can do no good thing without You, grant us the help of Your grace, that we, steadfastly believing in Your Son Jesus Christ, and loving one another as He has given us commandment, may please You, both in will and deed; through Jesus Christ our Lord. Amen
